Dear Friends:

January 2003

My hope and desire is that this directory will aid you in helping those who are incarcerated or have been recently released from prison or jail.

My goal is to offer a support system for those who have been incarcerated so that they will not return to any type of correctional institution again. I believe that this is possible when two events take place:

First, that Jesus Christ has changed the individual from the inside and he or she has been born again SPIRITUALLY. The second is that his or her physical needs need to be met. This book was designed to meet the more practical needs of these men and women. We believe that if this book is used along with another book, "THE BIBLE", the whole man or woman will be rehabilitated.

This directory does not contain all the resources available in our community, so your input is valuable to me. If you know of other resources, please drop me a line or give me a call and I will consider adding them in my next directory.

May God's blessing be upon all you do in Jesus Christ's name.

Yours in His Service in the Jails,

Chaplain Art Lyons

~ Note ~

Not all organizations and churches in this booklet represent the beliefs of mainline Christianity. This booklet is designed to be a "Yellow Pages" for Chaplains, not a doctrinal statement.

Re-Entry Prison and Jail Ministry is a non-profit organization able to give tax deductible receipts for any donations. Chaplain Art Lyons has been working in the jails and prisons in Southern California since 1980. He has been a chaplain with the San Diego Sheriff's Department since 1983. All Sheriff's Dept. Chaplains are volunteers and responsible for raising their own support. Re-Entry Prison and Jail Ministry is a Christian organization that primarily focuses on helping inmates after they are released from incarceration. Most every person incarcerated will be getting out of prison and jail. Your support will help provide Christian resources that are essential for true rehabilitation. Chaplain Art Lyons is available to speak at your Church or organization about how you can become more involved with this important ministry.

Here is Christian help for people who are dealing with homosexuality, their families, and their friends. We provide the names of people who can help. We provide references to books and articles that can help. As we have permission, we provide the full text of articles. We provide testimonies. An apologetics section provides a -- certainly not "the" -- Christian response to common questions asked about homosexuality.

 Core's Inside Outside Prison Program will better prepare the inmate for transition to the community and help him be successful after release. · Meets inmates right where they are and helps them develop a daily walk with God. · Educates inmates to take responsibility for their own lives with God's help, as they learn what God expects of them, both while incarcerated and after release. · Helps inmates learn how to make the right friends, and live the right kind of life. · Teaches self-evaluation and goal setting through the use of the program materials. This then prepares inmates for the problems and challenges they will face when released. Instructs inmates on how to seek and receive acceptance in the Christian community. · Equips inmates to find and keep a job. The price is right. Special subsidized pricing for prison and aftercare-related ministries.
